

Dear Valued Customer,

## Try the World's Best Dialer and Call Center Software: **ORACLE® CallCenter@nywhere**

### Take the Predictive Dialer Test Drive

Finding it hard to decide on which Predictive Dialer to use?

Promero makes it easy.

Take a real time Predictive Dialer Test Drive.

Only \$895.

#### \$895 Predictive Dialer Test Drive Includes:

- 1 Hour of Agent Training – Ready to Take Calls
- Setup and Configuration for Your 3 Agents
- All of the Long Distance Charges
- Promero's Professional Staff to Manage Your Test Drive
- No Hardware or Software to Purchase
- Access to All Real Time Reports and ROI Data
- 100% Recording
- Customer supplies call list

Your agents take the calls. You evaluate the results.

#### Apply the 100% of Test Drive Fee to your Service Agreement

If you sign up in March for Promero's hosted solution, apply the \$895 Test Drive to your agreement service fees.

#### Promero's 100% Up Time is Better than Five Nines [99.999%] Any Day!

If 100% up time and service level commitment are important to your business, we would like to send to you Promero's latest Up Time report from **AlertSite**. Or if your service provider's services are less than expected, Promero can offer a free analysis of your network infrastructure, ASP and ISP. Your business runs at 100%. So should your call center software and CRM service provider. Contact Promero today.

If you need assistance or more information immediately please feel free to contact us.
